VIVIAN SPENCE PERRIMON
2930 EDNA LANE
DECATUR, GEORGIA 30032

The Senior Class of 1949 dedicates this volume of the "Pirate" to, Mr. James H. Williams, for his untiring efforts to make our college one that stands among the champion colleges in football. He started our football team from a small flame, which had almost been smothered out by the drastic war. Now the team is progressing rapidly. Not only do we feel that Coach Williams has done an excellent job as coach but likewise he has been an excellent instructor in the Physical Education classes. He has been loyal to the institution.

Any cooperative group enterprise successfully completed is worthy of praise. May I therefore congratulate the Class of 1949 for their splendid efforts in getting out this issue of the College Annual. As you leave these walls, may the experiences which you have gained in promoting this enterprise become a stimulant for your efforts in promoting the growth and welfare of the communities where you labor and live.

Happy memories of your four years in college will grow upon you as the years come and go. The Yearbook will add to these happy and cherished memories.

CLASS HISTORY

In September 1945, the class of 1949 entered the Elizabeth City State Teachers College. This year found the class getting off to a good start with one hundred and sixty members. Under the skillful leadership of its officers and instructors the class sponsored an outstanding " talent " program.

Another September found those among the class, who had diligently adjusted themselves, returning as Sophomores. This was the year in which the class activities were at a minimum due to the intensive study program. The scholarship of the class began to move upward. We are proud to say that during this year we had members of the class engaged in many activities of the campus. We aided in sponsoring our first Homecoming Day.

The class returned and assumed an air of dignity for this was the Junior Year. The members of the Junior Class aided our football team in becoming the 1946 E I A C Champs. The Junior-Senior prom sponsored by the class was the elaborate affair of the year for the campus.

Seniors: The class returned in 1948 with a smaller enrollment finding themselves holding a prominent position in the institution. The Senior Art Society sponsored a " Variety Show " that traveled.

The class of 1949 walks through the gates of S. T. C. turning around for one last look. Thus ending one phase of the life of the class of 1949. A new, startling and exciting world challenges it. Will the class meet the challenge?

CLASS POEM

Alice K. Burress

We had four years of college days,
Four years to learn and live.
We found you true in all your ways,
Long may you gladly give.

You taught us ne'er to know of fear,
You're sheltered us from harm
To us you 're been a mother, dear.
We're rested on your arm.

Though sometimes we were tired and weary,
We struggled day and night,
And even when things looked very dreary
You gave us joy and light.

Old S. T. C. we're on our way;
We leave with blinding tears;
The knowledge gained from day to day
Will lead us through the years.

We leave thee now, Old S. T. C.
With thanks for all you've done;
We'll offer praise where 're we be
Until life victory's won.

CLASS SONG

Mary E. Hines

We bid farewell to you old state;
Sadly we say, goodbye.
To friends and foes and schoolmates
We leave you with a sigh.

Chorus
Farewell to you dear S. T. C.
Farewell to thee, old "State".
These words seem very hard to say
On this commencement day.

You taught us much within your walls,
Things we can ne'er forget;
We'll answer to your every call,
For to you we are in debt.

Tis hard to say, goodbye to you,
And sadder to depart.
Our love and loyalty are true
For you within our hearts.

Hail to the White, and hail to the Blue, hail to the Fighting Pirates.

The Pirates got off to a slow start by losing their first game to a C. I. A. A. team. Did they give up. No sir! They came bouncing back to chalk up five conference wins, one tie and no defeats; And to walk away for the second consecutive year with the C I A C Championship.

The Fighting Pirates of 1948 were not a star laden team, but a team composed of fellows willing to give out with that "ole College try" and not to yield, but to do or die. Because of injuries to key players, the Pirates had to turn down a bowl bid to appear in Texas on New Year's Day.

Greatly Missed from the starting line up next year will be five seniors who sang their "swan song" loud and clear. They are Percy "ndy" Daniels, called by Mr. Graves "Mr. uts of 1948"; "Big Jim" Walker, the powerhouse of "48"; Edward "E tmore" Cooper; All E I A C Guard "47"; and Johnny "Duck" Jones; Elbert " op" Lawson; and Wiley Neal, the three Iron Dukes.

Hail to the White, hail to the Blue; sail on, sail on, Fighting Pirates.
